Wednesday, September 20 Weekly Update

- Night work will continue between Northern Lights and 25th Avenue through the night of Sunday, September 24. This work includes fire hydrant relocation and storm drain replacement.
- The project office is located at the old SkiAK building, between Benson Boulevard and 30th Avenue. **A PUBLIC OPEN HOUSE will be held biweekly at this location, with the next meeting held on Wednesday, September 27, from 10:00am to 11:00am.**
- Typical construction schedule: 7 days a week, from 7:00am to 6:00pm. Hours may vary depending on weather and specific work taking place.
- We understand the inconvenience and disruption that a road improvement project imposes on neighborhood residents and businesses, and hope the quality and convenience of the new road will outweigh the sacrifices required along the way. The project team again wishes to thank you for your patience during these times.

Planned Construction:

The Municipality of Anchorage is working with QAP to reconstruct Spenard Road, from Hillcrest Drive to Benson Boulevard. Improvements include new asphalt, curbs, sidewalks, bike lanes, ADA ramp upgrades, realignment of the 27th Avenue intersection, new traffic signals at Fireweed Lane, Benson Boulevard and Northern Lights Boulevard, new LED street lights, as well as street scaping and landscaping improvements. This project will be under construction throughout 2017.
